About PrintHub

INTRODUCTION

PrintHub which is established in MARCH 2021. The company is 100% black owned by youth within the group of historical disadvantaged people. The company is operating in small scale projects in old established companies to gain experience in develop, printing, supply and delivery.

ABOUT US

PrintHub is a 100 % black owned Company, the company was formed to offer services in the supply and delivery industry by committing itself to develop a vibrant supply and delivery entity in South Africa and the whole region by offering affordable, quality and efficient services to the satisfaction of our business partners.

VISION STATEMENT

The Vision of the company is to become the most reputable institution within the three sphered of government.

MISSION STATEMENT

To perform for our customers or clients the highest level of quality and efficient services at fair and market competitive prices. To maintain the highest levels of professionalism, integrity, honesty, and fairness in our relationships with our suppliers, sub-contractors, professional associates, and other clients within the three spheres of government.

VALUES OF OUR COMPANY

Our company values are as follows:

Safety

Integrity

Respect

Teamwork

Entrepreneurship

Transparency

Leadership

Accountability and

Trust

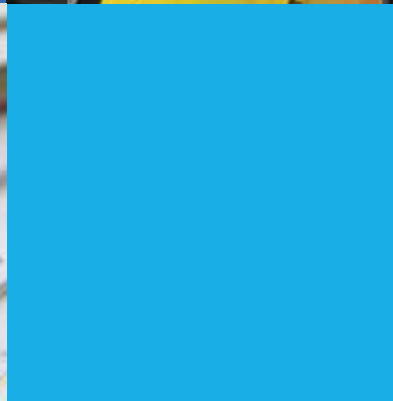

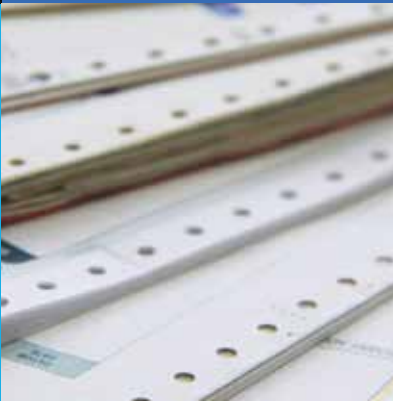

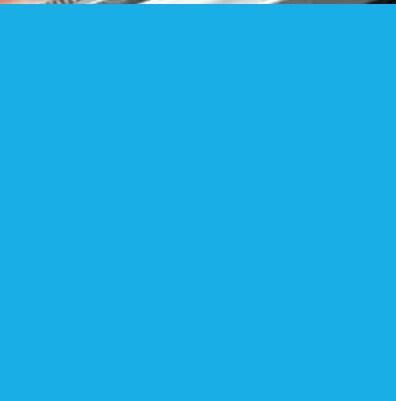

Products & Services

PrintHub comprehensive range of business communications solutions was made possible through both organic growth and a number of strategic acquisitions over many years. It positions us as the leading single source supplier of consumables, printing and related services on a national basis.

By applying continual product and service development, PrintHub is able to offer a comprehensive range of products and services that are above the industry norm. Our offering improves the effectiveness of customer operations, makes business processes more efficient and reduces costs.

Our range includes:

- Printing
- Delivery
- Marketing Material
- Office Supplies
- Stickers

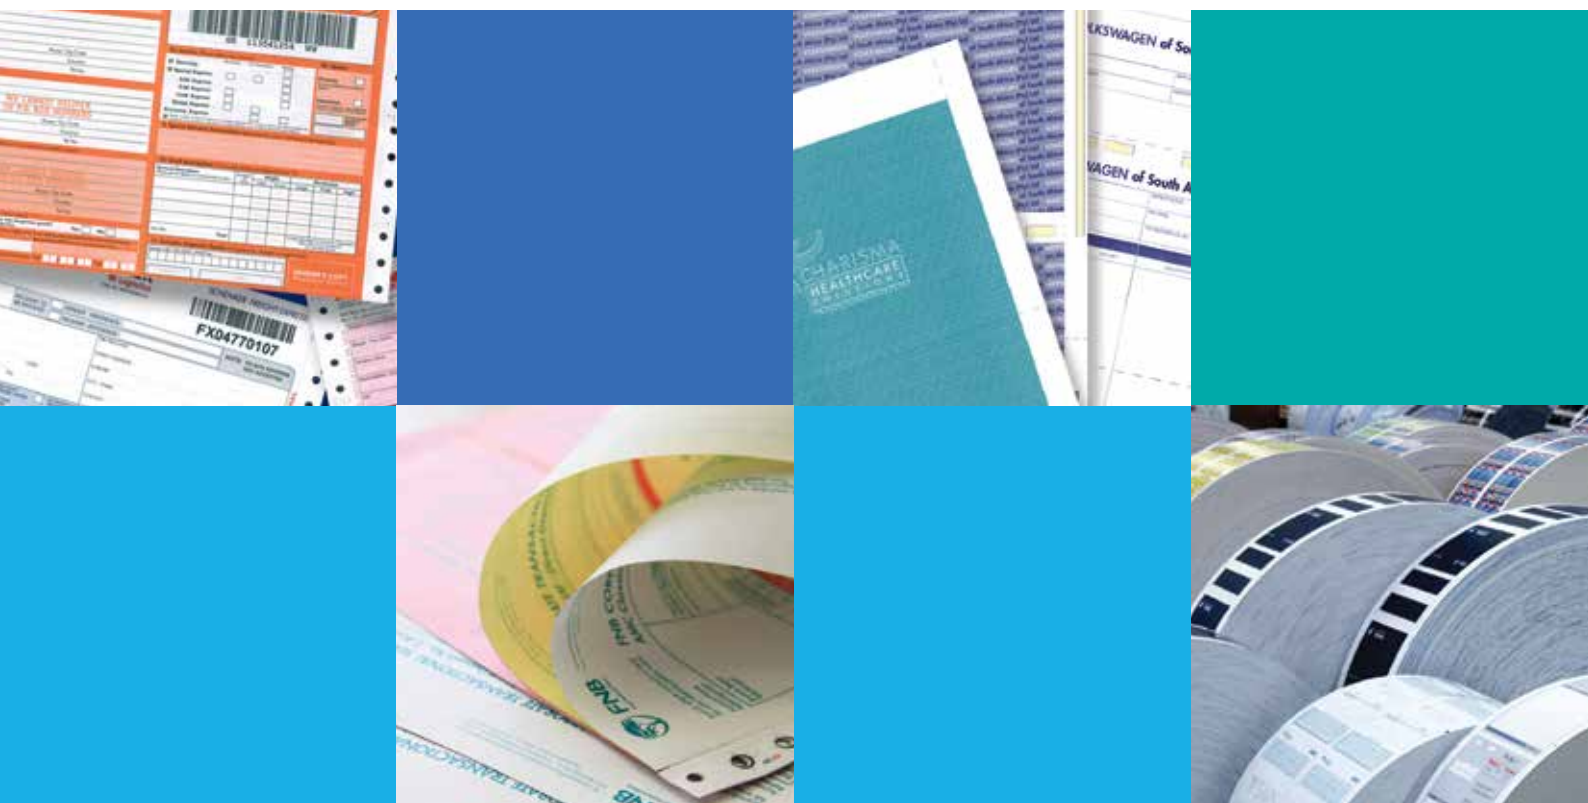

PrintHub is the recognised leader in the provision of business related printed products in South Africa.

By combining technology with the experience we have gained over many years we are able to offer a complete range of high-quality printed products.

Trusted by organisations large and small in a diverse range of markets, PrintHub helps companies manage the critical documents they need to effectively run their operations, improve the way they communicate with their customers, employees, and stakeholders, and prosper in today's competitive business environment.

Our range includes:

- **Business stationery** – business cards, letterheads, compliment slips, envelopes
- **Business forms** – computer forms, cheques & security documents, listing paper, wage/salary advices
- **Marketing collateral** – brochures & leaflets, folders, posters, wiro bound books, calendars & deskpads
- **Education products** – examination papers & answer books, study guides, certificates
- **Election products** – voter registration forms & cards, voter lists, ballot papers, training documents
- **Integrated products** – labels, membership cards, postcards, envelopes, Diaries, Calenders
- **Commercial products** – betting cards, recharge vouchers, laser reels, ATM & POS rolls, package inserts

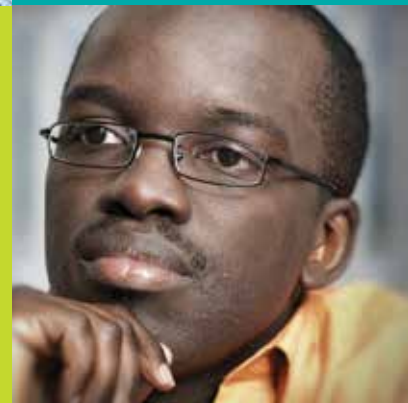

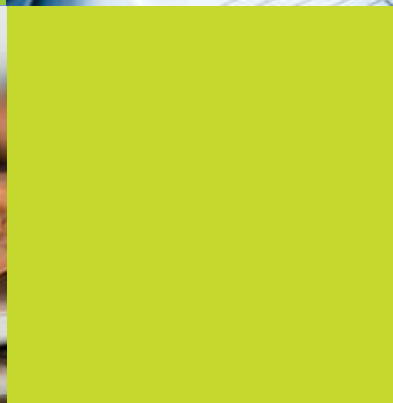

PrintHub Supply Management service enables with companies multiple branches to operate more efficiently - it facilitates decentralised ordering and reduces operating costs.

These seemingly incompatible outcomes are achieved through a holistic approach to the processes associated with the procurement, storage and distribution logistics of non-trading items.

Our service includes:

- **Online ordering** – a customised online ordering platform is accessible by branches and outlets
- **Corporate identity management** – improved corporate identity control and version control
- **Special campaign distributions** – management of the flow of special campaign items
- **Procurement** – items are procured from approved suppliers according to best practice principles
- **Warehousing** – a secure warehouse operates under a sophisticated warehouse management system
- **Picking & packaging** – orders are picked according to strict criteria and packed
- **Distribution** – items are distributed using our freight company or a specified courier service
- **Analysis & reporting** – our custom developed software analyses and interprets ERP data
- **Stock management** – a warehouse management system identifies usage patterns and anomalies
- **Print management** – control of all printed items

Marketing Material

Prestigious-looking marketing material provides organisations with a competitive edge.

Consumers know what information they need in order to make informed buying decisions. To be successful, marketers have to respond to these individual needs with impactful and compelling communications that inform, motivate and move the target audience to action.

PrintHub has the technology and expertise to produce marketing material that will bring your brands to life and sell your products. Let us take care of your marketing material needs.

Our range includes:

- **Printed collateral** – brochures & leaflet, folders, posters, wiro bound books, calendars & deskpads
- **Corporate gifts** – bags, folders, key rings, gift sets, golf items, lanyards, memory sticks, pens
- **Corporate clothing** – headwear, fleeces, golf shirts, jackets, shirts, tracksuits, t-shirts
- **Indoor branding** – banners, banner walls, exhibition systems, frames & stands, canvas prints, posters
- **Outdoor branding** – banners, flags, gazebos, parasols & umbrellas, bunting, tablecloths, fencewrap
